

DEFINE YOUR JOB GOAL AREAS

1. Brainstorm with mentor

2. Talks with persons in your network, who knows you well professionally

(active link to exercise “Networking to define your job goal areas”)

3. Work with 4 questions:

- Are there any industries, you are particular interested in/having preconditions to work in?
- Are there any competence/professional areas, you in particular would like to work with in?
- Do you have any icon companies?
- Which assignments in your former jobs motivated you the most/made you happy?
